Retransmitted:--

(a) Most of the books mentioned in the letter from the Director of Archaeology, Mysore will be got printed in the Government Branch Press, Mysore and charged at sanctioned scheduled rates, which include charges for paper. It is therefore unnecessary for the Department of Archaeology to purchase paper for these works.

(b) It is however found not possible to undertake the Hindi edition of the "Guide to Sravanabelgola" at the Govt. Branch Press, since there are too many Sanskrit works now pending execution at the Branch Press and there will be not enough types left for composing the above book. Purchase of paper for this work by the Director of Archaeology may be authorised and this work may be got executed in a private firm. Being an urgent work, I have in anticipation of Government sanction, intimated the Director of Archaeology to get the Hindi edition printed in a private firm.

A

(c) In this connection it may be stated that a provision of Rs.1,000/- for meeting the printing charges for the English, Kannada and Hindi editions of the Guide may not be enough and the actual cost will be intimated as soon as the works are executed.

Subject: Printing of Guide Books and other publications of the Department.

Ref. (2-5-52-A).

I write to state that it is necessary to bring out the revised editions of the Guide Books to Sravanabelgola in Hindi, Kannada and English, in time for the "Mahamastakabhishekam" which is expected to take place in February 1953. The Annual Reports of the Department and other publications have also to be got printed. It is estimated that twenty reams of printing paper has to be purchased immediately so that the printing of all these publications on hand may be pushed through.

I request that early sanction of Government may kindly be granted for the expenditure of about Rs.300/- required for the purchase of printing paper - which may be met from the provision made under "Contingencies and other charges" in the budget of this Department for the current year.
